MEMBER REALTY WELCOMES ENERGY CAPITAL CU, PRIMEWAY FCU, AND RIVER CITY FCU

Houston, TX | August, 2016: Member Realty (MR) announced the addition of Energy Capital CU, PrimeWay FCU, and River City FCU to the growing family of credit union partners. The relationship between credit unions and their members is one based strongly on trust and now, through Member Realty, credit unions will be able to provide their members with a trusted realtor network that meets all of their member's needs for the sale or purchase of a home.

"We are happy to have these credit unions join our growing family of credit union partners. We are confident that the addition of Member Realty will not only provide their members with a value added, reliable service, but it will be a complement to their existing product offering and business strategy." - Adrian Dominguez – President & CEO

Member Realty, LLC is a full service residential real estate brokerage serving the Houston Metropolitan area and throughout Texas. Our goal is to provide the highest quality service to our clients and assist them throughout the real estate transaction process. From listing their existing home to helping them find and purchase their new dream home, we are there for them every step of the way. For more information, visit www.MemberRealty.com.
